

## Fee rates: 2021/22

### Overseas patients

#### Outpatient fees

The fees below apply to each outpatient service. If you attend an outpatient appointment and have radiology, ultrasounds or other billable outpatient services, you will be billed for each of the services provided to you.

Services	Fee
Outpatient services (other than pathology and radiology) - for each occasion of clinical service	\$339
Radiology services - for each item number	\$339
Allied health and nursing treatment - per occasion (chiroprody, clinical psychology, podiatry and speech therapy services)	\$339
Midwifery home visits - both mother and baby are charged separately	\$339
Phone, telehealth and audio consultation - per occasion	\$339
Magnetic Resonance Imaging Scan (MRI Scan) (1) Positron Emission Tomography Scan (PET Scan) (1) Pathology services - for each request (2)	

(1) MRI and PET Scans will be charged at the applicable AMA rates

(2) PathWest raises charges to Medicare-Ineligible patients on a 'fee for service basis' at 100 per cent of the MBS
